LIMITED POWER OF ATTORNEY

The undersigned account holder(s) ("Trader") authorises:

Account Number (required for existing accounts*): _____ ***Reference "Temporary ID" for New Accounts**

Trading Agent _____, **its agents, successors and assigns (the "Trading Agent")**

Trading Agent ID (if any) _____ (Trading Agent should also complete a copy of the Client Agreement, subject to compliance review)

As agent and attorney-in-fact to manage the Client's account and risk through the purchase and sale of precious metals, FX, CFD's and, only if the Client is a UK or Ireland resident, spread bets (the "Margined Transactions") or otherwise for the undersigned's account and risk. **The Client hereby agrees to indemnify and hold FXCM, its affiliates, employees, agents, successors and assigns harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, arising there from.**

FXCM is authorised to follow the instructions of the aforesaid agent in every respect concerning the Client's account with FXCM, except that said agent is not authorised to withdraw any money, securities, or other property either in the name of the undersigned or otherwise. **Such agents are not employees of FXCM, and act as agents for the Client, and as such, it is the Client's responsibility to request from the Trading Agent statements on account status and details regarding the overall management of the account, and the undersigned Trading Agent is obligated to provide, upon the Client's request, such account information and account statements using report features as provided by FXCM.**

The aforesaid agent represents that he has all of the applicable required government approvals, licenses, and permits, including but not limited to, if applicable, registration with the FSA.

The type of management modules: Percentage Allocation Management Module (PAMM) or Lot Allocation Management Module (LAMM) used by the Trading Agent is at the discretion of the Trading Agent. Clients on the PAMM may be restricted from making any account transactions including but not limited to withdrawals, deposits, account terminations, revocations of this Limited Power of Attorney, until the end of the following business day. Depending on management module selected, the client may receive limited intraday reports of the activity that occurred on the account. The margin setting is also at the discretion of the Trading Agent pending FXCM review.

Because the risk factor associated with trading in the Margined Transactions market is high, only genuine "risk" funds should be used in such trading. If the Client does not have the extra capital the Client can afford to lose the Client should not trade in the Margined Transactions market. The Client understands that the Trading Agent may use an electronic trading system to generate trades, which exposes the Client to risks associated with the use of computers, and data feed systems relied on by FXCM. The Client agrees to accept such risks, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors. No "safe" trading system has ever been devised, and no one can guarantee profits or freedom from loss. In fact no one can even guarantee to limit the extent of losses.

Even though the Client granted trading authority to another, The Client should be diligent to closely scrutinise what transpires in the account. FXCM shall send the Client a confirmation of every trade made for the account and any transactions on the account, and a profit and loss statement showing the financial results of each transaction closed out for the account. In lieu of sending trade confirmation and/or account activity via postal mail, FXCM will provide Client access to view his account at any time using the Internet with an online login. FXCM shall make statements available showing the ledger balance, the exact positions in the account, the net profit or loss in all contracts closed for the given period, and the net unrealised profit and loss in all open contracts figured to the market. The Client should carefully review these statements on a daily basis, and if the Client has any questions, he will contact FXCM immediately. Any discrepancies on account statements must be reported to FXCM, in writing, within 24 hours of its occurrence.

The Client and Trading Agent may revoke or terminate the trading authority over the Client's account at any time only upon written notice to FXCM or via FXCM's online service, which shall only be effective at the close of business New York time one business day after receipt of such notice (excluding bank holidays) and Client shall remain responsible for all account activity until such effective time. In the event that FXCM receives such written notice from the Client or Trading Agent, FXCM will notify the other party to this agreement of the revocation or termination. FXCM may also terminate the Trading Agent's trading authorisation over the Client's account at any time for any reason in its sole discretion. In the event FXCM terminates the Trading Agent's trading authorisation over the Client's account, FXCM will provide written notice to both the Client and the Trading Agent.

This authorisation and indemnity is a continuing one and shall remain in full force and effect until revoked by the Client by a written notice addressed to FXCM and delivered to FXCM at the office where the Client's account is carried, but such revocation shall not affect any liability in any way resulting from transactions initiated prior to such revocation. This authorisation and indemnity shall inure to the benefit of FXCM and that of FXCM's agents, successors and assigns. This authorisation and indemnity shall further inure to the benefit of Trading Agent and of any successor Trading Agent, irrespective of any change or changes at any time in the personnel thereof for any causes whatsoever, and of the assigns of Trading Agent or any successor Trading Agent.

FXCM does not endorse or vouch for the services provided by the Referring Broker or Trading Agent. Since Referring Broker is not an employee or agent of FXCM, it is the account holder's responsibility to perform necessary due diligence on the Referring Broker or Trading Agent prior to using any of their services.

ACKNOWLEDGEMENT

The Client agrees that he/she/they understands and certifies that they have the financial resources to enter into this Agreement and that all trading objectives have been explained. The Client acknowledges having received, read and understood the foregoing Power-of-Attorney and incorporated risk disclosures.

The Client hereby ratifies and confirms any and all transactions with FXCM heretofore and hereafter made by the aforesaid Trading Agent on behalf of or for the Client's account. The Client hereby ratifies and confirms that he/she has agreed to pay the following commissions, management, performance, profit sharing, referral, research, and/or incentive fees (each individually and/or collectively, the "Fees"): according to the following terms:

FX Trading Commission _____ per million traded round turn

Management Fee:

_____ % ← [insert % amount here] Monthly Quarterly [check one]

Performance Fee:

_____ % ← [insert % amount here] Monthly Quarterly [check one]

Note: Monthly or Quarterly fees are collected up to and including the last day of the calendar month or calendar quarter respectively.

This Trading Agent may receive transaction based compensation in the form of rebates or commissions. The receipt of transaction-based compensation constitutes a conflict of interest as it may create an incentive for the Trading Agent to trade the account more frequently in order to generate additional revenue.

Fees may be applied to a managed account only if the Trading Agent has appropriate documentation on file with FXCM.

FXCM will hereby facilitate the above instructions without further direction or confirmation from the Trading Agent or client, unless otherwise notified in writing. FXCM will make reasonable efforts to credit the Trading Agent for the payments due for each monthly and/or quarterly trading period. Notwithstanding the foregoing, if the Client requests a withdrawal and/or transfer from his/her account, and there are insufficient funds available to pay the Trading Agent as a result of such request or other action taken by the client, the Client hereby agrees and understands that such request may not be processed for the full amount requested and agree that the client shall remain obligated to make payment to the Trading Agent for any payments due pursuant to the agreement between the client and the Trading Agent.

Any withdrawals or transfers from the account resulting in account equity falling below manageable trading level will result in the account no longer being mapped to the Trading Agent's account. In the event that additional funds are deposited to re-map the account to the Trading Agent, FXCM should be notified.

The "**Management Fee**" is calculated based upon the ending daily average account equity (which includes floating profit/loss), for the given period without regard to the ending daily average account equity for any other time period. The "**Performance Fee**" is calculated based upon the profit made for the given time period that exceeds the Benchmark(s). For the purpose of this agreement, a "**Benchmark**" is defined as the net new high for a given time period during the life of the account. The initial Benchmark will be based upon the current account equity (which includes all open and closed positions), as of the Effective Date of this agreement. Profit shall be determined by taking into consideration the ending account equity on all trading activity (which includes all open and closed positions), during the given time period relative to previous net new highs set from previous Benchmark(s).

FXCM shall not be held responsible or liable for any miscalculation or non-payment of said Fees for any reason whatsoever. This payment authorisation shall remain in effect until terminated in writing by the undersigned.

The Client will be responsible for the market movement during this time where the account may be restricted from trading activity.
